dressing materials and the First Aid Boxes are available with the Guards of all the trains. In addition Augmented First Aid Boxes with wider range of medicines, disposable medical material, etc. have been provided with the Train Superintendents / Pantry Car Managers of Rajdhani / Shatabdi Express Trains and on nominated long distance Mail / Express trains. Services of doctors travelling as passengers are also utilized to attend to passengers who are in need of urgent medical assistance. The front line staff *viz.* Train Superintendents, Train-Conductors, Travelling Ticket Examiners, etc. are also trained in rendering first aid. Trains can also make unscheduled halts, if necessary, at the stations en-route in extreme emergencies. The Station Masters have details of doctors, clinics & hospitals, both Government and Private, in the vicinity of the station, so that their services could also be requisitioned, in emergencies. In addition, a database has also been developed regarding availability of the non-railway medical facilities along railway tracks and at stations en-route, for providing emergency medical care to sick travelling passengers in the Trains.
